

# JMRI – Did I mention it is free?

---

By Ken Cameron, Amherst Train Show, West Springfield MA, 2015

kcameron@twcny.rr.com

<http://www.jmri.org/>

**Where JMRI Lives. Manuals, Downloads, References, Examples**

<http://www.rr-cirkits.com/Clinics/Clinics.html>

**Great Collection of clinics by Dick Bronson**

<http://groups.yahoo.com/group/jmriusers/>

***The place to ask questions.***

When asking Questions, please include:

- Version of JMRI
- Type of DCC controller (DCS51,NCE PowerCab...
- Type of interface (Keyspan USB, LocoBuffer-USB, PR3)
- OS of the computer (WinXp, Ubuntu 9.2, 32/64 bit version)
- Version of Java (1.6.0\_23)

## **Help->Upload Debugging Info**

- It will grab a bunch of good details and email them to the developers IF your computer is on-line.
- Always follow with a note in the user group about the issue and that you used this upload method.
